2016 County and District Attorneys Executive Seminar

We encourage all County and District Attorneys to attend this annual Executive Seminar. The meeting will be held on Nov. 16-18 in St. George in conjunction with the UAC Fall Conference. Chief Deputies are welcome.

This is your opportunity to meet with your fellow County and District Attorneys, the Attorney General and the UPC and SWAP staff. This year's planning committee has developed an agenda covering not only timely legal and legislative issues, but also addressing vital administrative and budget issues faced by all elected attorneys. Do not miss this year's meeting. It only works if we're all there.

James Swink, UCDA Chair

Sim Gill - Chair, SWAP Board

Steve Garside, UPC Chair
